## STUDENTS CELEBRATE DIWALI, THE HINDU FESTIVAL OF LIGHTS

The Longhorn Hindu Students Association illuminated campus with fireworks, sparklers and performances in front of the UT Tower in celebration of the ancient festival.

"Having the Diwali celebration on UT campus is really important for a lot of Indian students that are not able to celebrate with their families at home since they are not from Austin. I think that is the most important thing about our festival- giving those students a chance to celebrate on campus." - Arjun Beliamkonda, co-president of the University of Texas Longhorn Hindu Students Association
